REPORT ON THE

PROGRESS OF EDUCATION OF WIDOW PUPILS

IN THE MYSORE STATE,

UNDER THE PATRONAGE OF THE

DEVARAJA BAHADUR CHARITY EDUCATION FUND

MYSORE

From

Rai Bahadur Rajakarya Prasaktha A Narasimmiengar Esq
Honorary Secretary
Devaraj Bahadur Charity Education Fund Mysore

To

M Visvesvaraya, Esq, B A C I E
Dewan to His Highness the Maharaja of Mysore

SIR

Introductory **1** *(a)* On behalf of the Trustees of the Devaraj Bahadur Charity Education Fund I beg to forward for submission to His Highness the Maharaja the Report on the administration of the Fund for the calendar year 1911 and 1912 and the half year ending with 30th June 1913

(b) Hitherto the report used to be submitted to Government once in two calendar years as there was hardly matter for a report for each year and the funds were devoted solely to the Education of Widows Now the educational year commences in July instead of in January and the award of fresh scholarships also has to begin in July Therefore in future the report will be submitted once in two years for the period ending with 30th June

Particulars about Students **2** Enclosures A B and C contain particulars of students who received scholarships from January 1911 till 30th June 1913 Enclosure D contains the statement of accounts E contains List of Scholarship holders from D B C F who have been appointed as School Mistresses Midwifes or Nurses

Trustees **3** The following gentlemen were the Trustees of the Fund during the period under report

1	V N Narasimmiengar Esq	5	S Mallari Rao Esq B A
2	M Shama Rao Esq M A	6	H Nanjundaraj Urs Esq
3	B Ramakrishna Rao Esq	7	S Ranga Char Esq
4	A Mahadeva Sastri Esq	8	A Narasimmiengar Esq R B

No of Scholarship Holders **4** The number of scholarship holders ared from 43 to 67

Age **5** The ages of the recipients varied from 13 to 37

Civil Condition **6** All the scholarship holders were widows except four whose husband had deserted them

Caste **7** Except one who is a member of the Jain community all the others belong to one or other of three main Brahmin sects

Progress of Students

8 One pupil is studying in the Medical School Royapuram Madras and is qualifying as an Apothecary She was in the Matriculation class of the Maharani s College prior to her departure to Madras Another was reading for the B A The Government scholar hip was supplemented by Rs 10 per month from the Fund In the Mysore Kannada Lower Secondary Examination six passed in 1911 four passed in 1912 and 4 in 1913 from the Home Of these three passed also in addition in San krit In these two and a half years twelve pupils have been admitted into the Maharani s College from the Widows Home six in the English classes and six in the Training Class after passing the Lower Secondary Examination from the Home Two of these have gone out as School Mistresses after training in the Maharani s College

Discipline

9 Two of the pupils were sent away as they did not quite conform to the rules of the Home

Pupils Drawn From Various Places

10 From the statements A B and C it will be found that the scholar ship holders were drawn from various parts of the State

A brief abstract is appended below

No	District	Number of girls receiving scholarships and remaining at Mysore	Number of girls to whom scholarships were sent from Mysore	Total	
1	Bangalore	8	12*	20	
2	Kolar	5	5	10	
3	Tumkur	0	1	1	
4	Mysore	30	3	33	
5	Hassan	3	0	3	
6	Chitaldrug	4	0	4	
7	Shimoga	6	0	6	
8	Kadur	2	0	2	
9	Coorg	2	0	2	
10	Madras	10	1	11	Decreased to one now
	Total	70	22	92	

Thus the present report shows a more definite stand than its predecessors in utilising almost the whole fund to keep widow pupils drawn from different parts of the Province under the roof of the Widows Home This step is proving beneficial inasmuch as all the pupils are brought under our immediate supervision and instruction and their health and morals are well taken care of In the earlier stages of the Fund scholarships were awarded to widow pupils living in their own homes in different parts of the State Subsequently the Government instituted scholarships for such pupils Although the grant of scholarships tended to popularise education among widows their progress on the whole was not very satisfactory Either the quality of instruction imparted in Taluk Girls Schools was poor or the pupils were indifferent to their lessons and only anxious to get the scholarship which however did not reach them regularly Therefore an attempt was made in 1907 to centralize them to the Widows Home which has yielded more satisfactory results

Statement of Accounts

11 As shewn in Statement D the total income from the Fund during the period was Rs 6 372 and the total expenditure Rs 5 815 Government Order No $\frac{10\ 097\ 9}{Ed\ 367\ 10\ 2}$ Dated 10 6 1911 required that the sum of Rs 899 which had been spent in excess of the income in the years 1909 and 1910 should be recouped during the succeeding years The attempt made to give effect to the above order was not fully successful as it was found that savings could not be effected to the full extent without denying scholar ships to deserving widow pupils However a sum of Rs 557 was saved in the period under report and the excess of expenditure recouped to this extent There is still a balance of Rs 342 which the Trustees hope to recoup during the next period without putting the scholarship holders to any inconvenience

A Hostel for Pupils

12 The Widows Home also serves at present to some extent as a Hostel for lady students inasmuch as seven pupils who are attending the Maharanis College have their board and lodging therein

A Brief Resume

13 The Fund was created by an order of His Highness the late Maharaja dated 26th June 1883 Thus thirty years have lapsed and it may not therefore be out of place to give at this distant date a very brief resume of the administration of this asset during this long period

Original Trustees

14 Of the eight Trustees appointed in 1883 four of them viz Messrs S Malhari Rao H Nanjundaraj Urs S Rangachar and A Narasimmengar have all along acted as such the places of the remaining four Messrs T R A Thumboo Chettiar E Chidambaram Iyer A R Narain Sastry and B Mallappa having fallen vacant by death at different dates and filled up by fresh nominations

Original Objects

15 The first order of Government directed the Trustees to found endowments in the name of Devaraj Bahadur for the improvement of Sanskrit and Vernacular literature and for the advancement of education in directions in which adequate provisions did not already exist out of the proceeds of the investment of Rs 50 000 Consequently the Trustees decided to devote the funds to the following four objects —

(*1*) Encouragement of female education in the shape of scholarships to girls studying for University or Middle School Examination in girls schools scholarships to deserving girls wishing to continue their studies at home after leaving school and provision for teaching girls and grown up ladies at home

(*2*) Encouragement of Sanskrit literature by scholarships for high proficiency in Sanskrit to students having a special aptitude and to students undertaking to studying English after attaining a fair standard of proficiency in Sanskrit and prizes for publications of Sanskrit works

(*3*) Encouragement of vernacular literature by means of prizes for elementary works in Canarese in Science and morality grant in aid for a popular Canarese journal and

(*4*) Encouragement of fine arts by making provision for the teaching of music and drawing

Funds Confined to Education of Widows

16 The above programme with a few modifications continued till the year 1905 when the Government in their Order No 6041 3—Edn 36 03 dated 17th January 1905 directed that the whole income of the Fund may be exclusively devoted towards one single object viz the education of widows

Total Amount Spent Under Different Heads

17 The following rough statement shews the manner in which the fund was spent in furtherance of female education since the year 1883

	Object	Total Amount Spent
1	Scholarships to girls in schools for general education and also for being trained as teachers midwives etc	Rs 42 773
2	Money spent for Zenana teaching	6 235
3	Giving scholarships to wives of masters to persuade them to study in order to become school mistresses	1 387
4	Prizes to successful high caste female candidates in public examinations	1 475
5	To assist female education in other ways such as employing teachers for Music Drawing Sanskrit etc	7 220
	Total Rs	59 090

Then and Now

18 At the time the Fund was instituted the Trustees had to hunt for deserving girls in the lower classes of schools and give them scholarships In this year 1913 widow pupils advanced in years seek of their own accord the protection of the Widows Home and come here for study from different parts of the State All those who are acquainted with the strong and innate prejudice which till recently existed among all castes of Hindus against the higher education of girls and especially against the education of widows and their sojourn outside their homes can conceive the innumerable difficulties which the Trustees have had to contend against in these 30 years in advancement of female education and can realise what a great step in advance the institution of the Widows Home marks At first the attitude of the bulk of the people towards the movement was one of hostility subsequently of indifference and then of contemptuous cynicism till at last an epoch is in sight when we are glad to acknowledge that there are unmistakable signs of appreciation and co operation even from the conservative and orthodox classes We may state that from the commencement we have received valuable support from several ladies in this work

19 Sir K Seshadri Iyer in para 4 of his letter dated 13th September 1884 on the first year s report of the Trustees conveyed His Highness commands in the following words —

Anticipations of Government

His Highness has the fullest confidence in the enlightened zeal and catholic sympathies of the present Committee of Trustees and he therefore believes that the management of the Fund at their disposal will continue to be a real aid to the cause of education in those special depai tments to which it is devoted

We beg to state that the spirit of the above command has been our goal and we have tried our best to utilise the funds in furtherance of that Noble Object

20 The high caste Hindu girls who are married young and are left forlorn as widows before they can fully realise their helplessness are in a pitiable condition They are endowed with intelligence of a high order The country is in need of a vast number of lady teachers lady nurses lady doctors midwives etc The education of widows therefore is from several points of view a *sine qua non* for the well being and progress of the Hindu community In this direction Mysore has led the way in South India for the past 30 years and the Madras Government have lately followed the example by instituting scholarships for Brahmin widows and establishing a hostel for them

Lot of High Caste Hindu Widows

As Government are at present considering the advisability of combining with the Widow s Home a Hostel for ladies and assuming the direct management of both we trust that the interest from the Devaraj Bahadur Charity Education Fund will always be devoted solely to the support and education of such widows as are not eligible for scholarships from State Funds by age or their backwardness in education

21 In conclusion the Trustees deem it their duty to tender their respectful acknowledge ments to His Highness the Maharaja and the Royal House of Myscre for the uniform encouragement they have received these 30 years in their arduous and uphill work

Conclusion

I beg to remain

SIR

Your obedient servant

Dated 29th July 1913

Mysore

A NARASIM IYENGAR
Honorary Secretary

Age **5** The ages of the recipients varied from 13 to 37

C vil Cond tion **6** All the scholarship holders were widows except four whose husbands had deserted them

C te **7** Except one who is a member of the Ja n commun ty all the others belong to o ie or other of three main Brahmin se ts

Progress of Students

8 One pupil is studying in the Medical School Royapuram Madras and is qualifying as an Apothecary She was in the Matriculation class of the Maharani s College prior to her departure to Madras Another was reading for the B A The Government scholar hip was supplemented by Rs 10 per month from the Fund In the Mysore Kannada Lower Secondary Examination six passed in 1911 four passed in 1912 and 4 in 1913 from the Home Of these three passed also in addition in San krit In these two and a half years twelve pupils have been admitted into the Maharani s College from the Widows Home six in the English classes and six in the Training Class after passing the Lower Secondary Examination from the Home Two of these have gone out as School Mistresses after training in the Maharani s College

Discipline

9 Two of the pupils were sent away as they did not quite conform to the rules of the Home

Pupils Drawn From Various Places

10 From the statements A B and C it will be found that the scholar ship holders were drawn from various parts of the State

A brief abstract is appended below

No	District	Number of girls receiving scholarships and remaining at Mysore	Number of girls to whom scholarships were sent from Mysore	Total

Decreased to one now

Thus the present report shows a more definite stand than its predecessors in utilising almost the whole fund to keep widow pupils drawn from different parts of the Province under the roof of the Widows Home This step is proving beneficial inasmuch as all the pupils are brought under our immediate supervision and instruction and their health and morals are well taken care of In the earlier stages of the Fund scholarships were awarded to widow pupils living in their own homes in different parts of the State Subsequently the Government instituted scholarships for such pupils Although the grant of scholarships tended to popularise education among widows their progress on the whole was not very satisfactory Either the quality of instruction imparted in Taluk Girls Schools was poor or the pupils were indifferent to their lessons and only anxious to get the scholarship which however did not reach them regularly Therefore an attempt was made in 1907 to centralize them to the Widows Home which has yielded more satisfactory results

Statement of Accounts

11 As shewn in Statement D the total income from the Fund during the period was Rs 6 372 and the total expenditure Rs 5 815 Government Order No 10 097 9 Edn 367 10-2 Dated 10 6 1911 required that the sum of Rs 899 which had been spent in excess of the income in the years 1909 and 1910 should be recouped during the succeeding years The attempt made to give effect to the above order was not fully successful as it was found that savings could not be effected to the full extent without denying scholar ships to deserving widow pupils However a sum of Rs 557 was saved in the period under report and the excess of expenditure recouped to this extent There is still a balance of Rs 342 which the Trustees hope to recoup during the next period without putting the scholarship holders to any inconvenience

A Hostel for Pupils

12 The Widows Home also serves at present to some extent as a Hostel for lady students inasmuch as seven pupils who are attending the Maharanis College have their board and lodging therein

A Brief R sume

13 The Fund was created by an order of His H ghness the late Maharaja dated 26th June 1883 Thus th rty years have lapsed and it may not therefore be out of place to g ve at th s distant date a very br ef resume of the adm nistration of th s asset dur ng th s long period

O ig n l Trus te s

14 Of the e ght Trustees appo nted in 1883 four of them v z Mes rs S Malhari Rao H Nanjundaraj Urs S Rangachar and A Narasimmiengar have all along acted as such the places of the rema ning four Messrs T R A Thumboo Chettiar E Ch dambaram Iyer A R Nara n Sastry and B Mallappa having fallen vacant by death at d fferent dates and filled up by fresh nominat ons

O igin l Obje t

15 The first order of Government d rected the Trustees to found endowments n the name of Devaraj Bahadur for the mprovement of Sanskr t and Vernacular l terature and for the advancement of educat on in d rections in wh ch adequate provis ons did not already exist out of the proceeds of the investment of Rs 50 000 Consequently the Trustees decided to devote the funds to the following four objects —

(*1*) Encouragement of female edu ation in the shape of scholarships to girls studying for University or M ddle S hool Examinat on in girls schools scholarships to deser ing girls wishing to cont nue the r stud es at home after leav ng school and prov s on for teacl ng g rls and grown up lad es at home

(*2*) Encouragement of Sanskrit l terature by scholarships for h gh proficiency in Sanskrit to students hav ng a spec al aptitude and to students undertak ng to study ng English after attain ng a fair standard of profic ency in Sanskrit and prizes for publ cations of Sanskr t works

(*3*) Encouragement of vernacular l terature by means of pr zes for elementary works n Canare e in Sc ence and moral ty grant in aid for a popular Canarese journal and

(*4*) Encouragement of fine arts by mak ng pro ision for the teach ng of music and drawing

Fund Conf ed to Ed c ti n of Widows

16 The abo e programme with a few modifcat ons continued t ll the year 1905 when the Governn ent n the r Order No 6041 3—Edn 36 03 dated 17th January 1905 directed that the whole income of the Fund may be exclusively devoted towards one s ngle object t z the education of widows

Tot l Am nt Spent Und r Diffe e t He ds

17 The following rough statement shews the manner n which the fund was spent n furtherance of female educat on s nce the year 1883

	OBJECT	TOTAL AMOUNT SPENT
1	Scholarships to g rls in schools for general education and also for being tra ned as teachers midw ves etc	Rs 42 773
2	Money spent for Zenana teaching	6 235

4	Pr zes to successful high caste female cand dates in public ex am nat ons	1 475
5	To assist female educat on n other ways such as employing t achers for Mus c Drawing Sanskrit etc	7 20
	Total Rs	59 090

Th nd Now

18 At the t me the Trust was instituted the Trustees had to hunt for deserving girls in the lower classes of schools and give them scholarsh ps In this year 1913 widow pup ls advanced in years seek of their own accord the protection of the Widows Home and come here for study from d fferent parts of the State All those who are acquainted with the strong and innate prejudice wh ch till recently existed among all castes of Hindus against the higher educat on of girls and especially against the education of widows and the r sojourn outside the r homes can conceive the innumerable d fficulties which the Trustees have l ad to contend against in these 30 years in advancement of fen ale education and can realise what a great step in advance the nstitution of the W dows Home marks At first the attitude of the bulk of the people to vards the mo ement was one of hostility subsequently of ind fference and then of contemptuous cynicism till at last an epoch is in s ght when we are glad to ackno vledge that there are unmistakable signs of appreciation and co operation even from the conservative a d orthodox classes We may state that fro n the commencement we have received valuable support from several ladies in th s work

19 Sir K Seshadri Iyer in para 4 of his letter dated 13th September 1884 on the first year s report of the Trustees conveyed His Highness commands in the following words —

Anticipations of Government

His Highness has the fullest confidence in the enlightened zeal and catholic sympathies of the present Committee of Trustees and he therefore believes that the management of the Fund at their disposal will continue to be a real aid to the cause of education in those special departments to which it is devoted

We beg to state that the spirit of the above command has been our goal and we have tried our best to utilise the funds in furtherance of that Noble Object

20 The high caste Hindu girls who are married young and are left forlorn as widows before they can fully realise their helplessness are in a pitiable condition They are endowed with intelligence of a high order The country is in need of a vast number of lady teachers lady nurses lady doctors midwives etc The education of widows therefore is from several points of view a *sine qua non* for the well being and progress of the Hindu community In this direction Mysore has led the way in South India for the past 30 years and the Madras Government have lately followed the example by instituting scholarships for Brahmin widows and establishing a hostel for them

Lot of High Caste Hindu Widows

As Government are at present considering the advisability of combining with the Widow s Home a Hostel for ladies and assuming the direct management of both we trust that the interest from the Devaraj Bahadur Charity Education Fund will always be devoted solely to the support and education of such widows as are not eligible for scholarships from State Funds by age or their backwardness in education

21 In conclusion the Trustees deem it their duty to tender their respectful acknowledgements to His Highness the Maharaja and the Royal House of Myscre for the uniform encouragement they have received these 30 years in their arduous and uphill work

Conclusion

I beg to remain

SIR

Your obedient servant

A Narasimha Iyengar

Honorary Secretary
